Handmade Gift Card Holder - Wallet Size

Free Step by Step Guide on how to make a handmade gift card holder

Thank you for downloading this FREE PDF Recipe

I have made this handmade gift card wallet using the **Night Before Christmas Suite** by Stampin' Up! I love how this can fit inside a card, your purse, your wallet. You can even adhere to the inside of a Christmas card leaving plenty room to write a sentiment. I used co-ordinating inks in the colours of Mossy Meadow, Crushed Curry and Cherry Cobbler. The Rhinestones I used are called Basic Red Rhinestones.

Instructions and Measurements

Wallet Base

- Cut a piece of 6x6 DSP down to 5 1/2" x 4"
- Along the longest side score at 1 inch and 3 1/2 inch.
- Round the two corners of the smallest section as this is our fold over flap
Glue Two sides together using tear and tape - burnish well.

Belly band

- Cut the 2" strip you have left down to 1" and wrap around wallet by hand, and adhere together, make sure it isn't too tight as you need to be able to slide the belly band on and off.
- Add a layered section in the centre using punch shapes or die cut shapes.

Decoration

- Stamp and decorate to your liking, I added ribbon underneath my circle layer section.
