

**For New & Beginner Crafters: Exclusive Free Project — My Gift to You Lidded Box with Acetate Window—Holds a Yankee Candle Votive**

**We are making this! It is the standard box base template only! But I've included matt and layer measurements for you too!**

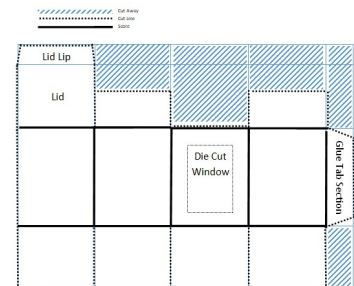

**What you will need:**

- ♥ Sheet of A4 Cardstock in colour of choice
- ♥ Scoring Board / Tool
- ♥ Corner Rounder Punch
- ♥ Square or Rectangle Stitched Die
- ♥ Acetate
- ♥ 1/2" Circle Punch for thumb notch
- ♥ Adhesive or Double Sided Tape
- ♥ Cardstock and Patterned Paper for Layers

**Step 1—Box Template**

Using UK Standard Size A4 Cardstock trim down to measure 8-1/2" x 7"  
 Long side at the top—Score at: 2", 4", 6" and 8"  
 Short side at top—Score at: 2", 4-1/2" and 6-1/2"

Cut, Score and Fold as per Diagram (see Page 2)

**Step 2—Window Section**

Once you have Cut, Scored and Burnished all sections run through Die Cutting Machine to cut out the window section. *Please note if you are layering up your box you will need to do the die cut window step after your layers are glued on to your box base (See step 3)*

Add a piece of acetate 1/4" wider and taller than your window to the inside section using double-sided tape.

**Step 3—Matting and Layering**

If you wish to Matt and Layer here are the sizes you will need:

- Matt 1 x 4 sides: 2-3/8" x 1-7/8"
- Matt 2 x 4 sides: 2-1/4" x 1-3/4"
- Matt 1 x 1 lid: 1-7/8" x 1-7/8"
- Matt 2 x 1 lid: 1-3/4" x 1-3/4"
