

🌸 DECORATED GIFT BAG TUTORIAL 🛍️

Create a gorgeous gift bag with stunning stamped details and stylish background paper – perfect for any occasion!

📋 MATERIALS NEEDED

- Gift Bags Combo pack
- Designer Series Paper (DSP)
- Charming Day Stamp Set
- Stampin' Write Markers (Blackberry Bliss & Mossy Meadow)
- Stylish Shapes Dies
- Dimensionals
- Charming Shimmer faceted dots (3)
- Silver bulldog clip
- Paper trimmer/scissors
- Adhesive

🛍️ STEP 1: THE BAG

♦ Start with a pre-made bag from Stampin' Up! The larger of the two sizes from the Gift Bags Combo pack ♦ Unfortunately these sold out in a matter of days after me designing this project.

Tip: Popular bags sell out quickly, so stock up when you find ones you love!

🔪 STEP 2: CUTTING & PREPARING

✂️ Cut Designer Series Paper (DSP) to 5-1/4" x 4" ✂️ Cut a 2" piece off the bottom of the DSP ✂️ Flip the 2" piece over 🔧 Glue both pieces to the front of your bag

Why flip the piece? This creates visual interest and uses both sides of your beautiful paper!

STEP 3: STAMPING & COLORING

 Stamp your chosen image from the Charming Day Stamp Set  Colour using Stampin' Write Markers:

- Blackberry Bliss 
- Mossy Meadow 

 Die cut your coloured image using the matching die  Die cut a square from the Stylish Shapes Dies  Stamp a sentiment on the square

Pro tip: Choose a sentiment that matches your occasion – birthday, thank you, thinking of you, etc.

STEP 4: CREATING THE FOCAL POINT

 Attach the stamped square to the front of the bag where the DSP overlaps using Dimensionals
 Layer the stamped die-cut piece on the bottom left corner of the square

The dimensionals add depth and make your focal point really pop!

STEP 5: FINISHING TOUCHES

 Add 3 shimmer faceted dots from the Charming Shimmer collection wherever you like on the front  Fill with goodies or sweet treats  Seal closed using a silver bulldog clip

Don't be afraid to place the dots asymmetrically – it creates visual movement and interest!

YOUR FINISHED CREATION!

Congratulations! You've created a fabulous gift bag with:

- Full front coverage design
- Professional layered elements
- Beautiful colour coordination
- Elegant finishing touches

This style creates a completely different look from standard gift bags – sophisticated, handmade, and absolutely gorgeous!

What will you gift in this bag, there's so much options out there: self-care treats, sweet treats, bath bombs, wax melts, and so much more!
