

## Handmade Gift Box Tutorial

Create a **beautiful full-coverage gift box** using Stampin' Up! products — perfect for treats, small gifts, or surprises! Follow these fun and easy step-by-step instructions to craft your own masterpiece.

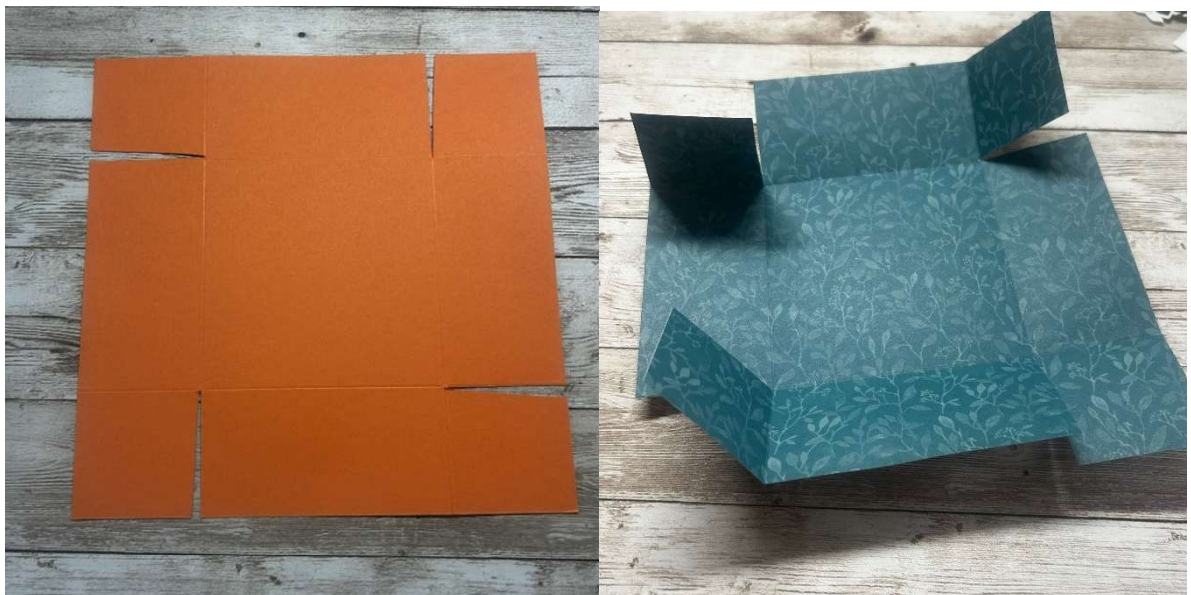

### Box Base & Lid

- Cut **Pumpkin Pie Cardstock** to **8" x 8"** – this will be your box base.
- For the **lid**, cut your **Designer Series Paper (DSP)** to **8-1/16" x 8-1/16"** – this slight increase helps the lid fit snugly over the base.

### Scoring & Cutting

- Score **both lid and base** at **2" on all four sides**.
- Cut up along the score lines and **mitre** each glue tab.
- On the **lid**, punch or cut **two half circles** on opposite sides to make it easy to open.
- Assemble both box and lid using strong adhesive.

### Stamping, Colouring & Die Cutting

- Choose and **stamp an image** from the **Charming Day Stamp Set**.
- Colour using **Stampin' Write Markers** – for example, **Lost Lagoon** and **Mossy Meadow**.
- **Die cut** the image using the coordinating die.
- Also **die cut flourishes** from **Basic White** and **Pretty Peacock** cardstock.
- **Stamp a sentiment** as well — you'll use it shortly!

### Create the Focal Point

- Cut a **3" x 3"** **mat** from **Timid Tiger** cardstock.
- Cut a **2-3/4" x 2-3/4"** **white mat**, and adhere it on top of the coloured mat.
- Attach this layered piece to the **centre of your box lid**.

---

### Belly Band Magic

- Die cut the **second-largest square** from the **Stylish Shapes Dies**.
- Stamp your **sentiment** in the centre of the square.
- Cut a length of **coordinating ribbon** from the suite and wrap it around the box.
- Adhere the **sentiment square** to the front of the belly band (use Tear & Tape or similar adhesive).
- **Layer your stamped image and flourishes** under and around the sentiment square.

---

### Finishing Touches

- Add **three shimmer faceted dots** (from the Charming Shimmer collection) to the front of the box for a sparkling finish.

---

### Final Thoughts

This box is **fabulous**, functional, and full of charm!

The **ribbon belly band** adds a unique style twist, and the **hand-stamped and coloured design** makes this gift box truly one-of-a-kind. ❤️
